

CONFIDENTIAL

24 July 1975

Vice Admiral M. G. Bayne, USN
Commandant, The National War College
Washington, D. C. 20319

Dear Admiral Bayne:

On 23 July 1975, Top Secret and available "Q" clearance certifications were forwarded to you on four Central Intelligence Agency personnel nominated to attend the 1975-76 course of instruction at The National War College. At the time of certification, the "Q" clearances on Messrs. [REDACTED] were still pending. These clearances have now been granted by the Energy Research and Development Administration and are certified as listed below.

25X1A

Name
